General:

The forum was attended by 29 representatives of industry from the wider Waimarino Region.

Forum Outline:

An update on the HSAW Act 2015

- What's changing
- Key terms to be aware of
- Your responsibilities
- What you need to do

Welcome:

Tony opened the forum with a welcome and brief introduction as to the delivery for the evening.

Please visit the Site Safe website for a copy of the free help guide which was discussed at the meeting.

Further meetings:

Site Safe are planning to conduct this type of Forum for the Waimarino area at approx. 12 monthly intervals however this is generally based on the industry needs. If you would like Site Safe to consider running more frequent seminars such as this please email Tony Greeve and outline what subject matter might be useful. In the interim the Manawatu Health and Safety Forum is open to anyone who wishes to attend. The next meeting in Palmerston North is planned for the 20th July 2016, and we will looking at the New Regulations relating to Asbestos that came into effect on the 4th April. If you are interested in attending this or any of the subsequent 2 monthly forums, again please contact Tony to get put onto the mailing list.

The meeting closed at 6.30pm.
