

HEALTH, SAFETY & WELLBEING SPONSORSHIP

ABOUT OUR EVENTS

The 2025 Evening of Celebration is Site Safe's annual industry flagship event.

The evening is about acknowledging, recognising and rewarding its biggest asset - its people. It also recognises industries commitment to investing in health and safety and making workplaces safer and healthier. The evening includes Sites Safe's Graduation, Construction Health and Safety Awards and acknowledging Scholarship recipients. This event is our way of giving national recognition to those who are making a real difference in the construction sector and wider industries.

About our Auckland event

Our Auckland event is the larger event out of the three regional events. It includes an expected audience between 320 - 350 people from across the construction industry including graduates, scholarship recipients, sponsors and award winners. The evening includes a sit-down dinner, drinks, MC, guest speaker, certificate presentations of Site Safe's graduates in the Health and Safety in Construction programme and winners of the Construction Health, Safety and Wellbeing Awards.

About our Christchurch and Wellington events

Following our Auckland event is our smaller regional graduate events in Wellington and Christchurch. The evening includes a light snack, drinks, guest speaker and presentations of Site Safe's graduates in the Health and Safety in Construction programme. These events have a combined expected audience of up to 200.

WHY JOIN US?

The 2025 Evening of Celebration offers you and your business a unique opportunity to increase exposure of your organisation to a cross-section of the construction and wider industries. It also provides the opportunity to align your brand together with Site Safe and one of our sponsors. Your investment would include national coverage across our three regional events – Auckland, Wellington and Christchurch.

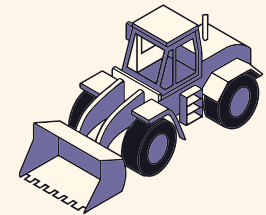

Be part of our three regional high-profile events focused at the construction industry and enjoy networking with influencers, decision makers and leaders in the industry.

Position your organisation and be seen as an active supporter of health and safety in the workplace.

Show your commitment to health and safety in making workplaces safer and healthier to other businesses.

Increase your brand awareness to a large group of influential health and safety professionals.
